

We've put our thinking caps on to help your school have fun and twin some toilets!

HOW TO GET STARTED

Go for a fundraising target to twin your school toilets with the toilets of families in poor communities

Book a date for a fundraiser or choose us as your charity of the year. A Blue for the Loo Day might go down well?

Check out the extra resources online available to download

IN THIS PACK, we've included:

- An **ideas sheet** with loads of fun suggestions for fundraising
- A **sample certificate** so your school can see what Toilet Twinning is all about
- An **info leaflet** about Toilet Twinning (ask us for more to give them to your students)
- A **poster** to help you make a splash on your school noticeboard

ONLINE – in our resources section of toilettwinning.org – you'll find:

- Primary and senior school assembly talks on PowerPoint
- Films and an animated song
- A fun quiz
- A fun poster – giving a potted history of the toilet

If you'd like to order resources, you can ask for any of the following by sending us an email: info@toilettwinning.org – or by ringing us on 0300 321 3217:
