

TOILET TWINNING – By Polly Morris

C Em F G

You need a loo its true – we all do

C Em F G

And your loo can be improved with just one simple move.

F G C Am

A framed certificate, showing GPS coodinates

F

When you've washed hands at the taps

G G7

You can look them up on Google maps *Google Maps ...Google maps*

CHORUS

C Em

Toilet Twinning – We're beginning

F G

To improve poor sanitation – all we need is your donation

C Em

Toilet twinning – we are winning

F G

Giving hygiene education – we can help the poorer nations

C Em F

Choose where to twin – it is your call

G C

India or maybe Nepal!

Em

Zambia, the Philipines

F G

Saving lives with a cool Latrines

F G

Cambodia, or Liberia

C Am

Toilets can be made much cheerier

F

And communities will get

G G7

More dignity and self respect *self respect ... self respect*

CHORUS

Am G F

Every minute a child will die due to poor hygiene

Am G F

We want to keep them alive – not just alive but Thriving

G

Give communities support to stop kids trudging miles for water.

Interlude C Em F G

CHORUS

C Em

Toilet twinning – We all know –

F G

We've got to have somewhere safe to go

C Em F G

Toilet twinning its our goal – we're really on a toilet roll

C Em F

Toilet twinning – Its what we do – we are not embarrassed to

G

talk IN PUBLIC about poo.

C Em

Toilet Twinning make someone's day –

F

Take poverty and

G

flush it away!
