

## THE TOILET GAMES

### 3 Pin the Flush on the Toilet

We've all played Pin the Tail on the Donkey. (You haven't? You've not lived!) This is our toilet take on a party classic.

#### You will need:

A print-off of our 'Pin the Flush' poster and flushes	Scissors	Blindfold (eg a scarf)
	Blu-Tac	

#### How to play:

Print off our 'Pin the Flush' poster and attach it to the wall with Blu-Tac. Cut out the flushes, ask people to put their names on each of them and attach a bit of Blu-Tack to the backs.

Blindfold each player in turn, spin them round 2x or 3x to disorientate them, then invite them to pin the flush on the toilet. Don't let them cheat by feeling for the edges of the poster!

The player who 'pins the flush' closest to the correct position is the winner.
