Toilets save lives
Help us flush away poverty

TOGETHER WE CAN IMPACT THOUSANDS OF LIVES
Why support Toilet Twinning?

2 billion people across the world don’t have a decent hygienic toilet. Every two minutes a child dies because of dirty water and poor sanitation.

Toilet Twinning raises funds to help communities access clean water, build proper toilets and learn about hygiene principles such as handwashing.

Each £60 donation twines a toilet with a lifesaving latrine.
