

Here are your World Toilet Day bakes!

Thank you for donating to my Toilet Twinning fundraiser. 2 billion people – that's 1 in 4 people on the planet – don't have a decent, hygienic toilet to use. The human and economic impact of this is enormous.

Every two minutes a child dies from diarrhoeal diseases and 60% of all rural diseases are caused by poor hygiene and sanitation.

Investing in sanitation is one of the most cost-effective forms of aid. For every £1 spent on water and sanitation programmes, £5.50 is returned through saved time, reduced health costs and increased productivity.

Your twinned toilet is helping to flush away poverty!
Please hang your certificate with pride.
