

Twin your fridge to help beat extreme hunger

More than 40 million people will struggle to put any food on the table today.

Dalila and her family are Syrian refugees in Lebanon. They can't find any work because of the pandemic, and have run up huge debts to keep paying rent on their one-bedroom flat. Food vouchers from our partner are a lifeline.

'We couldn't live without the vouchers. Food is so expensive now. At least we have lentils, rice and bulgur wheat.'

BEANS AND RICE

Your twinned fridge will provide emergency supplies of beans, rice and other basics. This vital food aid is a lifeline for vulnerable families who need your help now.

FOOD VOUCHERS

Your twinned fridge will give families vouchers and cash grants to buy food. This means children won't go hungry and can concentrate in school.

SMALL BUSINESS SUPPORT

Your twinned fridge will enable families to start a small business. This could be growing crops, fishing, rearing animals or another enterprise.

HOW IT WORKS

For £30, twin your fridge to help provide emergency food parcels and livelihoods support.

You'll receive a magnet set to display on your fridge.

Bring hope: beat the hunger crisis.
